

CONSENT FOR THE PROCESSING OF PERSONAL DATA

I hereby declare that I participate in the recreational activities of Taekwondo Club Marjan (hereinafter: the Club) on the basis of membership or single-entry access, in accordance with the General Terms and Conditions of Membership, the Rules, and the Statute of the Club. In the case of single-entry access, I acknowledge that such access does not constitute membership nor create a permanent contractual relationship.

I hereby give my voluntary consent to the Club for the processing of my personal data for the purpose of recording participation, ensuring the safety of activities, and controlling access to the Club premises.

I hereby give my voluntary consent to the Club to use biometric identification for the purpose of access control, whereby such use is entirely voluntary. Biometric data are not stored in the Club's systems, but exclusively on the Member's personal device. Providing consent for biometric authentication is not a condition for exercising membership rights.

I hereby give my voluntary consent for photographing, recording, and the use of photo, video, and audio materials created during the Club's activities for the purpose of promoting and informing about the Club's activities (website, social media, printed materials, etc.).

Any consent given may be withdrawn at any time by sending a request to the Club's email address specified in the General Terms and Conditions of Membership. Withdrawal of consent shall not affect the lawfulness of processing carried out prior to such withdrawal.

(For minors, consent shall be provided by a parent or legal guardian.)
